AUCTION CLOSES MIDNIGHT 19TH JUNE 2011

Postage and packing in purpose- built new boxes extra. Winners only notified.
Condition, as ever, guaranteed. Minimum bid unless stated £5/\$8

HOW TO BID

Basically, there are two ways of bidding; first is a simple Straight Bid - you offer a fixed amount for the item, the highest bid wins. Secondly, and easier for those more familiar with internet auctions, and for those collectors unsure of what to offer is the Maximum Bid. You offer to a maximum amount - if for argument's sake your maximum is \$100 but the next highest bid is \$50, you win it for 10% over, i.e. \$55. In the event of a tie at your maximum amount, the fixed bidder or earliest bid placed wins.

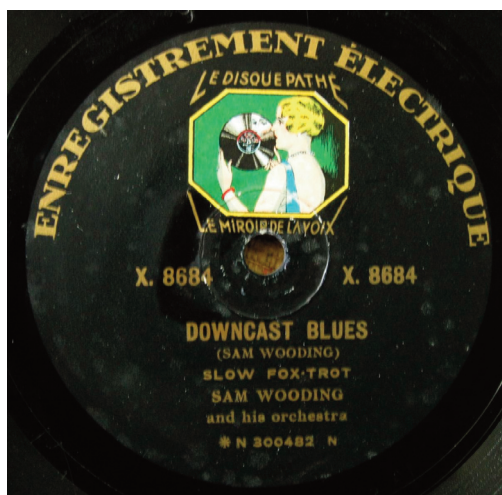

Please make clear the currency you are bidding in (Pounds Sterling, Euros or US Dollars).

Please also double check your item numbers when bidding - I do not use titles on my auction spreadsheet, so if you bid on the wrong number and win it, it's yours!

Payment by all major Credit and Debit Cards as well as £ and US\$ personal checks and Paypal.

NOTE: Some of the categorisation of certain artists has been, by necessity, arbitrary so please check all sections!

We are very pleased to offer more superb items from the collection of the late Laurie Wright, founder and editor of Storyville magazine and author of definitive bio-discographies of King Oliver, Jelly Roll Morton, Fats Waller and others - expect more items to follow!
